

**Sec. 47-70. Termination of service for failure to pay.**

(c) When the water supply to any property or premises of a customer has been disconnected or otherwise terminated by the department for failure of the customer to pay any water charges due and owing to the city, the water service to that customer at the affected property or premises shall not be resumed until and after all delinquent charges have been fully paid and satisfied, or satisfactory arrangements have been made with the director to pay such delinquent bills, and the delinquent customer has made any required deposit with the department. Whenever an umbrella account established under section 47-71 of this Code is delinquent, water service to each meter under that account may be terminated by the department in accordance with this subsection.

(d) The department shall charge the customer \$30 as the cost to restore water service after termination for nonpayment or, in case where there is a new tenant at the service address, the failure to make an application.
